Most importantly, you can accentuate your experience with the privilege to choose your shower mode, according to your mood.

A woman is shown from the chest up, standing in a shower. She is looking upwards with her eyes closed, and her hands are raised towards the water. The shower has a glass door and a digital control panel on the left wall. The water is spraying from a showerhead, creating a misty atmosphere. The overall tone is serene and modern.

INNOVATION LIKE NEVER BEFORE
FOR AN ETERNALLY BLISSFUL SHOWER

EASY TO CONTROL

Mood Touch is a heavenly bliss when it comes to your shower preferences. What sets apart mood touch from other competitors is the ease and precision with which you can operate the shower.

The advanced digital touchpad has separate controls for each function, making it easy to use and adding to your comfort.

SET YOUR DESIRED TEMPERATURE & FLOW

The advanced technology of Mood touch along with IP65 rating enhances the user experience with its easy-to-use controls. The waterproof touchpad interface allows you to adjust the temperature & control the flow, as you desire.

Mood touch is also well-equipped with an innovative electronic thermostatic mixing system, which is connected to a dynamic software system. This enables you to choose from a range of shower modes- from intense rain shower to mist!

It is also powered with optional power back-up, for uninterrupted shower indulgence in case of power failures.

SMART MEMORY SETTING

Mood Touch is designed with a smart memory setting which saves your preferences—from temperature to flow rate. Now save up to 4 user details for a hassle-free shower.

EFFICIENT PAUSE MODE

The perfect solution to save water when you are applying shampoo or soaping your body- it maintains the water temperature & flow smartly, so that you can resume your shower in bliss.

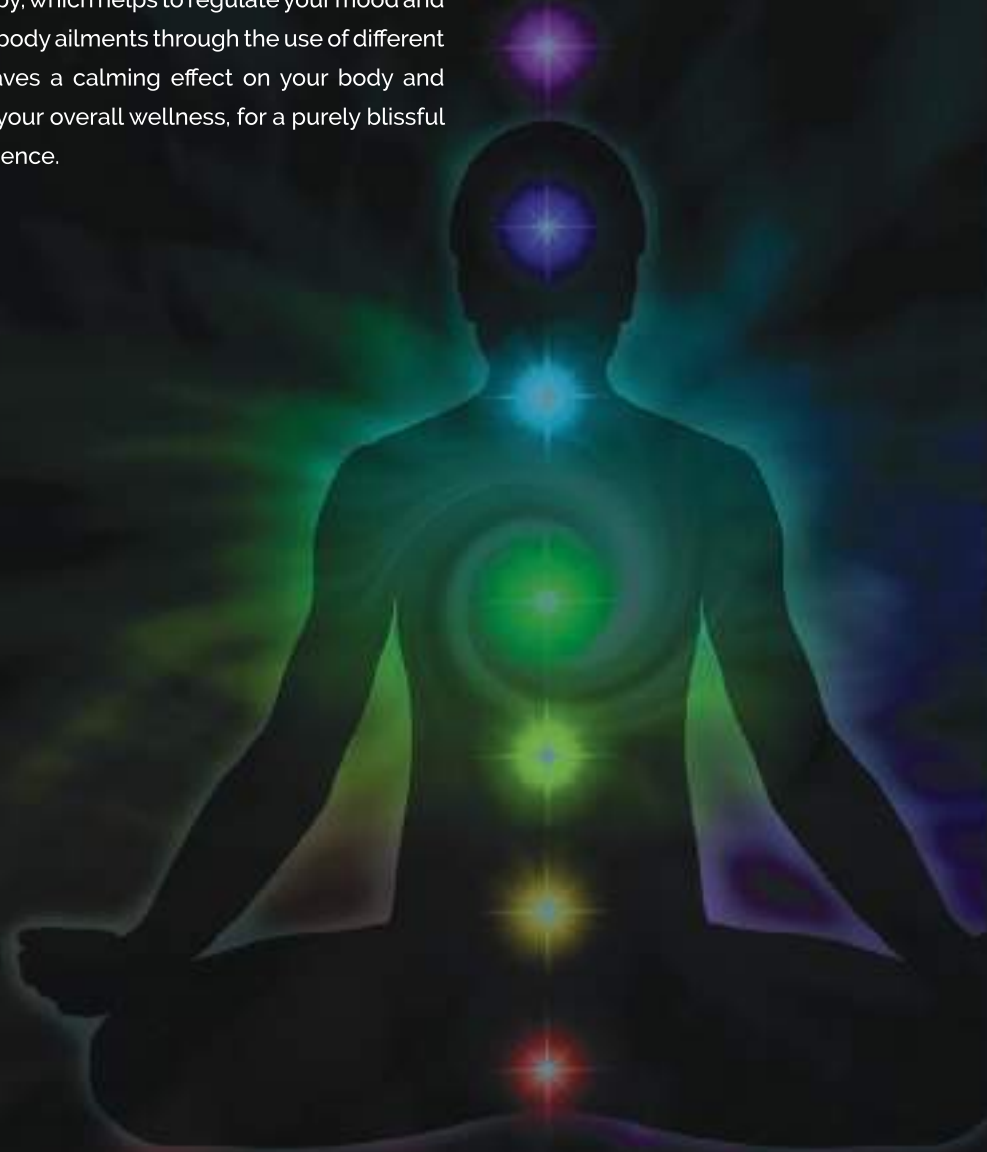

NO FEAR OF BURNS

Mood Touch is powered with a dedicated temperature display and the water temperature is kept constant throughout, keeping you safe from sudden hot water shocks or any form of scalding.

THE SOOTHING EFFECT OF **CHROMOTHERAPY**

Mood Touch is well-equipped with the innovative Chromotherapy, which helps to regulate your mood and heals various body ailments through the use of different colours. It leaves a calming effect on your body and takes care of your overall wellness, for a purely blissful shower experience.

A woman with long dark hair is smiling and looking towards the camera. She is standing in the rain, with water droplets visible on her face and hair. The background is dark and rainy.

FAULT ALARM DISPLAY

Your safety is our first priority. Whenever the system spots any technical glitch, it reports the problem immediately and adds to your convenience.
